Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

It is a useful tool to helps teams better understand their users.
Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.

Empathy Map Canvas

Individual Traveler / Tourst

Think & Feel

- Planning trips is stressful and time-consuming
- I don't know the best places to visit
- Plan properly or your trip will be wasted
- I want a structured day-wise plan
- I need food and hotel suggestions
- I don't want to search multiple websites

See

- Travel blogs with too much information
- Confusing YouTube travel videos
- Random Google results
- Random Google results
- Expensive travel planners
- Complicated itinerary apps

Hear

- Plan properly or your trip will be wasted
- Friends recommending places
- Social media travel reels
- Travel agencies offering costly packages

Individual Traveler / Tourist
